Metallica - Nothing Else Matters

```
Em                 D      C
So close no matter how far
Em                    D             C
Couldn&#39;t be much more from the heart
Em               D         C
Forever trusting who we are
G   B            Em
And nothing else matters

Em             D            C
Never opened myself this way
Em                       D      C
Life is ours, we live it our way
Em                      D       C
All these words I don&#39;t just say
G   B            Em
And nothing else matters

Em               D          C
Trust I seek and find in you
Em               D            C
Every day for us something new
Em              D             C
Open mind for a different view
G   B            Em
And nothing else matters

C A D                          C
     Never cared for what they do
  A D                          C
     Never cared for what they know
  A D      Em
