Roxette - Crash Boom Bang

C#m

C#m
My Papa told me to stay out of trouble,

                                                Abm
"When you've found your man, make sure he's for real!".
C#m
I've learned that nothing really lasts forever,

                                            Abm
I sleep with the scars I wear that won't heal,

          F#   B
they won't heal.

Cos every time I seem to fall in love,

            E   B
Crash! Boom! Bang!

I find the heart but then I hit the wall,

            E
Crash! Boom! Bang!
          C#m   A   E   B
That's the call, that's the game and the pain stays the same.

C#m
I'm walking down this empty road to nowhere,

                                        Abm
I pass by the houses and blocks I once knew.
C#m
My Mama told me not to mess with sorrow,

                                        Abm
but I always did, and Lord, I still do,

                          F#
I'm still breaking the rules

I kick it up

              B
I kick it down.

```
Cos every time I seem to fall in love,
                E     B
Crash! Boom! Bang!

I find the heart but then I hit the wall,
                E
Crash! Boom! Bang!
          C#m           A
That's my real middle name,
        E                 B
it has always been the same
            C#m              A              E              B
That's the call, that's the game and the pain stays the same.

Em               C
I still feel the heat,

(slowly fallin' from the sky)
         G             D
and the taste of the kissing
Em             C
Shattered by rain,

(comin' tumblin' from behind)
         G             D
and the wild holy war.

C#m   Cm/C#m   Abm C#m Bm Abm C#m ???

F#
I kick it up
              B
I kick it down

And every time I seem to fall in love,
                E     B
Crash! Boom! Bang!

I find the roses dying on the floor,
                E

That's the call, that's the game and the pain stays the same.
        C#m          A
That's my real middle name,
      E                  B
it has always been the same

    C#m        A
Oh Yeh,  Oh Yeh,
      E                  B
it has always been the same

C#m   Cm/C#m   2x

it has always been the same
