

GNR - November Rain

[Intro]

F - Am - Dm - C - Csus4 - C

[Verse 1]

F Dm

When I look into your eyes

C - Csus4 - C - F

I can see a love restrained

F Dm

But darling, when I hold you

C - Csus4 - C - Dm

Don't you know I feel the same?

Dm G

'Cause nothing lasts forever

C - Csus4 - C - Dm

And we both know hearts can change

Dm G

And it's hard to hold a candle

C - Csus4 - C - F

In the cold November rain

F Dm

We've been through this such a long, long time

C - Csus4 - C

Just tryin' to kill the pain, oooh yeah

F

But lovers always come and lovers always go

Dm

C - Csus4 - C

And no one's really sure who's letting go today, walking away

F

If we could take the time to lay it on the line

Dm

C - Csus4 - C - Dm

I could rest my head just knowing that you were mine, all mine

Dm

G

So if you want to love me

C - Csus4 - C - Dm

Then darling, don't refrain

Dm G

Or I'll just end up walking

C - Csus4 - C

In the cold November rain

[Chorus]

F G

Do you need some time on your own?

F G

Do you need some time all alone?

F G

Oooh, everybody needs some time on their own

F G - G - Em

Oooh, don't you know you need some time all alone?

[Verse 2]

Em F C Em

I know it's hard to keep an open heart

Wouldn't time be out to charm you?

[Verse 3]

F Dm

And when your fears subside

C - Csus4 - C - F

And shadows still remain

F Dm

I know that you can love me

C - Csus4 - C - Dm

When there's no one left to blame

We still can find a way
