

Stuart O'Connor dance troupe - Galway

D G D Em A
A great town in a country bound, by the seas between.

D G D
A7 D
When light falls on the hills of plane, shows there valleys green.

Hm G D
Em A
Taken my heart in your place again, between the lake and sea.

D G D A7

Oh city of the watery plane, you mean that much to me.

D G D
Em A
Your cut stone houses row on row, your streams begin to say.

D G
D A7 D
Whose waters shine with great as though, they had this half to spray.

Hm G D
Em A
Your streets that stand bring into view, the harbor and it's bars.

D G
D A7 A
All your chimneys with their turfs smoke blue, that never hide the stars
Taken my heart in that place again, between the lake and sea.
Like crimson roses in gray walls, your memory is to me.
And it is not very long since youth, from memory is lost.
So here I all night be in tune, hard to taste the sun.
Walk with a row of laughing girls from shelter to their square.
Oh the light in the waters on their curves it never shown more free.
Taken my heart in that place again, between the lake and sea.
Like crimson roses in gray walls, your memory is for me.
Again they come your glory days, your ships go back to port.
And to your city's shining ways, the Spanish girl resort.

Ovo je pesma sa CD-a RAMA (od margarina rama koji su delili još pre više od 10 godina) Irska (zelena vatra Irske), po mom sećanju bila je broj 4. Za ovu pesmu ne postoji video na YT iz razloga što je full copyrighted. Ja sam još

pre nekoliko godina skinuo pesmu sa nekog sajta na kom je više nema, tako da ako je neko ne zna ili nema melodiju kod sebe, neka mi se javi na ivanrasevicharmonikas@gmail.com i ja ću mu je poslati. I da, da ne zaboravim, iako su u wordu akordi dobro nacentrirani u odnosu na tekst, uvek pobegnu kad se prebace ovde na pesmaricu, tako da treba malo imati sluha i osetiti promenu akorda. Pozdrav i srećno.
