(Tablature su prolagodjene sviranju na klasicnoj gitari.)

Dm A7 Dm

Veceras stize januar

B Gm Dm

sa dugim, belim nocima.

Gm A7 Dm

U zelji sam sagoreo

B A7 Dm

k' o gar u tvojim ocima.

Dm A7 Dm

Nisam ti nikad priznao

Gm C7 F

da si mi dane bojila,

Gm A7 Dm

od crnog belo pravila,

B A7 Dm

od snova stvarnost krojila.

Ref.(2x)

Dm B Gm A

Tako bih da te zagrlim

Gm C7 F

i dugo, dugo zadrzim

Gm A7 Dm

tvoj dah na mojim usnama

B A7(A) Dm

k' o miris ranog proleca.

Kazu, u ponoc pozeli
i zelja se ispunjava,
a ti si tako daleko,
strah me da nisi dostizna.

Nisam ti nikad priznao
da si mi dane bojila,
od crnog belo pravila,
od snova stvarnost krojila.

Ref.(2x)
Tako bih da te zagrlim
i dugo, dugo zadrzim
tvoj dah na mojim usnama
k'o miris ranog proleca.

(N.C.) B A7 Dm
Veceras stize januar...
