[Verse]

Am

It starts with one thing I don't know why

G

It doesn't even matter how hard you try

F

Keep that in mind I designed this rhyme

G

To explain in due time

Am

All I know, time is a valuable thing

G

Watch it fly by as the pendulum swings

F

Watch it count down to the end of the day

G

The clock ticks life away

Am

It's so unreal, didn't look out below

G

Watch the time go right out the window

F

Trying to hold on, but didn't even know

G

Or wasted it all just to

Am

Watch you go, I kept everything inside

G

And even though I tried, it all fell apart

F

What it meant to me will eventually be

G

A memory of a time when

[Chorus]

Am

C

I tried so hard and got so far

G

F

But in the end it doesn't even matter

Am

C

I had to fall to lose it all

G

F

But in the end it doesn't even matter

[Verse]

Am

One thing, I don't know why

G

It doesn't even matter how hard you try

F

Keep that in mind I designed this rhyme

G

To remind myself how

Am G
I tried so hard, in spite of the way you were mocking me
F
Acting like I was part of your property
G
Remembering all the times you fought with me

Am
I'm surprised it got so far
G
Things aren't the way they were before
F
You wouldn't even recognize me anymore
G
Not that you knew me back then but it all comes back to me

Am
In the end you kept everything inside
G
And even though I tried, it all fell apart
F
What it meant to me will eventually be
G
A memory of a time when

[Chorus]

Am C
I tried so hard and got so far
G F
But in the end it doesn't even matter
Am C
I had to fall to lose it all
G F
But in the end it doesn't even matter

[Bridge]

Am G
 I've put my trust in you
 F G
 Pushed as far as I can go
 Am
 And for all this
 G F G
 There's only one thing you should know

Am C
 I've put my trust in you
 G F
 Pushed as far as I can go
 Am
 And for all this
 C G F
 There's only one thing you should know

[Chorus]

Am C
 I tried so hard and got so far
 G F
 But in the end it doesn't even matter
 Am C
 I had to fall to lose it all
 G F
 But in the end it doesn't even matter

[Outro]

Am G x4 Am 1x
