Bm G A Em

[Verse 1]

Bm G  
When this began, I had nothing to say  
A Em Bm  
And I&#39;d get lost in the nothingness inside of me (I was confused)  
(Bm) G  
And I let it all out to find  
A Em Bm  
That I&#39;m not the only person with these things in mind (inside of me)  
(Bm) G  
But all the vacancy the words revealed  
A Em Bm  
Is the only real thing that I got left to feel. (nothing to lose)  
(Bm) G  
Just stuck, hollow and alone  
A Em  
And the fault is my own, and the fault is my own.

[Chorus]

Bm  
I want to heal,  
D  
I want to feel,  
G Em

what I thought was never real

Bm D A Em

I want to let go of the pain I felt so long (Erase all the pain 'til it's gone)

What do I have but negativity?

Nothing to gain, hollow and alone
