

Justin Timberlake - Mirrors

[Verse I]

Aren't you somethin' to admire, cause your shine is somethin' like
a mirror

And I can't help but notice, you reflect in this heart of mine

If you ever feel alone and the glare makes me hard to find

Just know that I'm always peering out on the other side

[Pre-Chorus]

Cause with your hand in my hand and a pocket full of soap

I can tell you there's no place we couldn't go

Just put your hand on the past, I'm here tryin' to pull you through

You just gotta be strong

[Chorus]

Cause I don't wanna lose you now

I'm lookin' right at the other half of me

The biggest seat is set in my heart

There's a space, but now you're home

Show me how to fight for now

And I'll tell you baby, it was easy

Comin' back into you once I figured it out

You were right here all along
