Swedish House Mafia - Save the world tonight

```
Am
Into the streets,
C
we're coming down.
We never sleep,
Never get tired.
Am
Through urban fields,
and suburban life.
Am
Turn the crowd up now,
C
We'11 never back down.
Shoot down a skyline,
F
                       (G)
watch it in primetime.
Am
Turn up the love now,
listen up now,
                F
                            (G)
turn up the love.
                       C
                               F (G)
Who's gonna save the world tonight?
                       C
Who's gonna bring you back to life?
```

               C
                                      (G)
Am
We' re far from home,
C
it's for the better.
What we dream,
F
it's all that matters.
             C
\mathsf{Am}
We're on our way,
united
Am
