Intro and verse: Em

```

B|-----0---0-----|
G|-----9---9---9-----|
D|-----9---7-9-- 9/10--10--10--10--9-----| repeat...
A|---2/7---7---7-7---7---7---7---7---7\2---|
E|---0---0---0-0---0---0---0---0---0---0---|
```

How can you see into my eyes like open doors
Leading you down into my core where I've become so numb
Without a soul
My spirit's sleeping somewhere cold
Until you find it there and lead it back home

(jerk the strings inwardly only once)

```
Em          G
Wake me up inside
          D5
Wake me up inside
          Em
Call my name and save me from the dark
          G
Bid my blood to run
          D5
Before I come undone
          Em          intro once
Save me from the nothing I've become
```

(second verse with a little more suppressioness)

Now that I know what I'm without

You can't just leave me
Breathe into me and make me real
Bring me to life
