

Slipknot - Snuff

Tune guitar down to: C#, F#, B, E, G#, C#

intro: Am, Em, F

Verse:

Am Em F **
Bury all your secrets in my skin
Am Em F
Come away with innocence, and leave me with my sins
Am Em F
The air around me still feels like a cage
Am Em F
And love is just a camouflage for what resembles rage again...

(*the chord that comes after F is just a strum upwards from high string repeat in all Verses)

Pre Chorus: Am, Em, F

Chorus:

G Am
So if you love me, let me go. And run away before I know.
G Am
My heart is just too dark to care. I can't destroy what isn't there.
G Am
Deliver me into my Fate - If I'm alone I cannot hate
G
I don't deserve to have you...
F Am
My smile was taken long ago / If I can change I hope I never know

Pre Verse: Am, Em, F

Am Em F
I still press your letters to my lips
Am Em F
And cherish them in parts of me that savor every kiss
Am Em F
I couldn't face a life without your light
Am Em F

But all of that was ripped apart... when you refused to fight

Chorus:

So save your breath, I will not hear. I think I made it very clear.
You couldn't hate enough to love. Is that supposed to be enough?
I only wish you weren't my friend. Then I could hurt you in the end.
I never claimed to be a Saint...
My own was banished long ago / It took the Death of Hope to let you go

Solo:Am,Em,F

Chorus:

So Break Yourself Against My Stones
And Spit Your Pity In My Soul
You Never Needed Any Help
You Sold Me Out To Save Yourself
And I Won't Listen To Your Shame
You Ran Away - You're All The Same
Angels Lie To Keep Control...
My Love Was Punished Long Ago
If You Still Care, Don't Ever Let Me Know
If you still care, don't ever let me know...
