```

Gm
I woke up at six a.m.,
F
             Dm
                                      Eb
My eyes were closed but my mind was awake,
                Cm
Pretended I was breathing in a deep sleep pace.
Gm
               Eb
Got dressed so quietly,
                                               Eb
I was frozen by the jingle of my keys at the door
As I got outside I smiled to the dog.
Chorus:
   Gm
                    Eb
     I didn't wanna wake you up,
                       Dm
     My love was never gonna be enough,
                  Cm
     So I took my things and got out of your way now, girl.
   Gm
                    Eb
     Why didn't you wake me up?
                                               Eb
                                 Dm
     I'm pretty sure I would've told you to stop,
                Cm
     Let's try again and say goodbye,
