Jennifer Hudson - One night only

```
Bm                C#          Ebm
You want all my love and my devotion
    G#               G#7   C#              G#
You want my love and soul right on the line
Bm        C#               F#
I have no doubt that I could love you, forever
      Ebm
The only trouble is
     F
You really don't have the time

         Bm                C#
You've got one night only, One night only
        F#      C#        Ebm
That's all you have to spare
G#
One night only
F                      Bm     F# G#
Lets not pretend to care
Bm              C#
One night only, One night only
     F#       C#          Ebm
Come on big baby come on
G#
One night only
   F               Bm     F# G#
We only have till dawn

      F#                          F#
In the morning this feeling will be gone
   F#                    G#
It has no chance going on
F#                          F
Something so right has got no chance to live
         Bm              C#
So let's forget about chances
     F#               F
It's one night I will give
```
