THE QUEEN - the show must go on

```
        Hm                    Hm
Empty spaces, what are we living for?
              G                   G
Abandoned places, I guess we know the score
Em                      F#                      Em&gt;let ring
On and on, does anybody know what we are looking for?
          Hm                   Hm
Another hero, another mindless crime,
                   G              G
Behind the curtain, in the pantomime,
Em                        F#                      Em
Hold the line, does anybody want to take it anymore?
```

Chorus:

```
                    Hm      Bm
The show must go on
                    G           G
The show must go on, yeah
    Em
Inside my heart is breaking,
     F#
My make-up may be flaking,
        Em            Hm           Hm
But my smile still stays on
```

2nd verse:

```
        C#m                   C#m
Whatever happens, I&#39;ll leave it all to chance,
         A              A
Another heartache, another failed romance
F#m                  G#                  F#m
On and on, does anybody know what we are living for?
          C#m                  C#m
I guess I&#39;m learning I must be warmer now,
              A                   A
I&#39;ll soon be turning round the corner now,
   F#m                          G#                            F#m
```

```
Em (PM)
Outside the dawn is breaking, but inside in the dark I'm aching to be free

Chorus:
                   Hm      Hm
The show must go on
                   G                       G
The show must go on, yeah yeah___
  Em
Inside my heart is breaking,
    F#
My make-up may be flaking,
        Em          Hm
But my smile still stays on

[F#][Em]

Bridge:
F       -    G      -         Em      -    Am      -

Fairy-tales of yesterday will grow and never die,

I can fly, my friends

Chorus:
                   Hm      Hm
The show must go on
                   G      G
The show must go on,
    Em                         F#                      Em
I'll face it with a grin, I'm never giving in, on with show

[Hm][Hm][G][G]
    Em                         F#                             Em
I'll top the bill I'll overkill I have to find the will to cary on,
```

```
                    Em            Em      Em
On with the show, with the show
                Hm&gt;let ring
The show must go on
