John legend - All of me

```
Em
             Cmaj7
What would I do without your smart mouth
Drawing me in, and you kicking me out
          C
Got my head spinning, no kidding, I can't pin you down
            Cmaj7
Whats going on in that beautiful mind
                             Em
Im on your magical mystery ride
       Cadd9
                                                         Amadd9
           dizzy, don't know what hit me, but I'll be alright
And Im so
[Pre-Chorus] (Am, Em, D)
Am
My head's under water
                  Amadd9
But Im breathing fine
                G
Youre crazy and Im out of my mind
[Chorus] (G, Em, Am, D)
Cause all of me
       Emadd9
Loves all of you
          Am/C
Love your curves and all your edges
          C/D
All your perfect imperfections
          G
Give your all to me
           Emadd9
Ill give my all to you
         Am/C
Youre my end and my beginning
     C/D
Even when I lose I' m winning
