

Eyesburn - My people

Em

Em G Am Em
Jealousy and envy but suffering is mine
Em G Am Em
Feel they want to kill me, wipe me from this time

Oh, yes they want to persecute me, they want to see me die
Jah Jah will protect me, can't you see I'm weeping dry

 C G Em
All those wolves and rats are chasing me
C G Em
Internet evilous smiles
C G Em
Police and thieves observing me
C G Em
Demons of a different kind

 G Dsus2 Em
I'm depending on you my people

Just because I said the truth little drunk but not blind
Every day keep oppressing youth, peace of mind is hard to find

Oh, yes they want to persecute me, they want to see me die
Jah Jah will protect me, can't you see I'm weeping dry

All those wolves and rats are chasing me
Internet evilous smiles
Police and thieves observing me
Demons of a different kind
I'm depending on you my people
