

AC/DC - Touch Too Much

E

It was one of those nights

C

When you turned out the lights

A

And everything comes into view

E

She was taking her time

C

I was losing my mind

A

There was nothing that she wouldn't do

C

It wasn't the first

It wasn't the last

A

She knew we was making love

C

I was so satisfied

Deep down inside

A

Like a hand in a velvet glove

E

G

A

Seems like a touch, a touch too much

Seems like a touch, a touch too much

E

G

Too much for my body, too much for my brain

A

C

D

This damn of woman's gonna drive me insane

E

G

A

D

She's got a touch, a touch too much

E

She had the face of an angel

C

Smiling with sin

A

A body of Venus with arms

E
Dealing with danger

C
Stroking my skin

A
Let the thunder and lightening start

C
It wasn't the first
It wasn't the last

A
It wasn't that she didn't care

C
She wanted it hard
And wanted it fast

A
She liked it done medium rare

Chorus:

E G A
Seems like a touch, a touch too much
Seems like a touch, a touch too much
E G
Too much for my body, too much for my brain
A C D
This kind of woman's gonna drive me insane
E G A D D D
