D E F#m
I've been searching for you
D E F#m
I heard a cry within my soul
D
I've never heard a yearning quite
E F#m
Like this before
D
Know that you are
E F#m
Walking right through my door

Asus2 F#m11E
All of my life where have you been
D Asus2
I wonder if I'll ever see you again
F#m11 E
And if that day comes, I know we could win
D D
I wonder if I'll ever see you again

A sacred gift from heaven
For better worse whenever
And I would never let somebody
Break you down
Or take you crown,
Never
