# Lenny Kravitz - It Ain't Over Till It's Over

```
C#                    C#maj7
    Here we are
                  C#9
    Still together
                  F# F#m
  we are one
C#            C#maj7        C#9
  so much time wasted
                                    F# F#m
playing games with love

C#                                  C#maj7
So many tears I&#39;ve cried
                              C#9
So much pain inside
                                        F# F#m
But baby it ain&#39;t over &#39;til it&#39;s over
C#                                  C#maj7
So many years we&#39;ve tried
                              C#9
To keep our love alive
                                        F# F#m
But baby it ain&#39;t over &#39;til it&#39;s over
```

How many times

Did we give up

But we always worked things out

and all my doubts and fears

Kept me wondering yeah

If I&#39;d always, always be in love

```
C#                                      C#maj7
So many tears I've cried
                                        C#9
So much pain inside
                                                      F# F#m
But baby it ain't over 'til it's over
C#                              C#maj7
So many years we've tried
                                    C#9
To keep our love alive
                                                      F# F#m
But baby it ain't over 'til it's over
