

## Aerosmith - I Don't Want To Miss A Thing

A                    E                    F#m  
I could stay awake just to hear you breathing  
                         D                    C#m  
watch your smile while you are sleeping  
                         Bm  
while you're far away in dreaming.  
                         A                    E                    F#m  
I could spend my life in this sweet surrender  
                         D                    C#m                    Bm  
I could stay lost in this moment, forever.  
                         C#m                    D                    E  
Every moment spent with you is a moment I treasure

Chorus:

A                    E                    Bm  
Don't wanna close my eyes, I don't wanna fall asleep  
                         D                    E                    A  
'cause I miss you babe and I don't wanna miss a thing  
A                    E                    Bm  
'cause even when I dream of you, the sweetest dream would never do  
                         D                    E                    A  
I still miss you babe and I don't wanna miss a thing  
  
E                    Bm                    ...stop

A                    E                    F#m  
Lying close to you, feeling your heart beating  
                         D                    C#m                    Bm  
and I'm wondering what you're dreaming, wondering if it's me  
you're seeing.  
                         A                    E                    F#m  
Then I kiss your eyes and thank god we're together  
                         C#m                    D                    E  
I just wanna stay with you in this moment forever, forever and ever

Chorus:

A                    E                    Bm  
I don't wanna close my eyes,    I don't wanna fall asleep  
                         D                                    E                    A  
'cause I miss you babe    and I don't wanna miss a thing  
A                                    E                    Bm  
'cause even when I dream of you, the sweetest dream would never do  
                         D                                    E                    A  
I still miss you babe    and I don't wanna miss a thing

Bridge:

                         G                                    D  
I don't wanna miss one smile, I don't wanna miss one kiss,  
                         F                                    C  
I just wanna be with you right here with you just like this.  
                         G                                    D  
I just wanna hold you close,    I feel your heart so close to mine,  
                         Am                                    E  
and you'll stay here in this moment for all the rest of time  
E  
yeah, yeah, yeah, yeaahhhh.....

Chorus:

A                    E                    Bm  
I don't wanna close my eyes,    I don't wanna fall asleep
