G

Aayooh

I'm tired of using technology

I need you right in front of me

In her fantasy, there's plain to see

Just how it be, on me, backstrokin',

Sweat soaking

All into my set sheets

When she ready to ride, I'm ready to roll

I'll be in this bitch till the club close

What should I do, one thing on all fours

Now that that shit should be against the law

Different style, different move,

Damn I like the way you move

Girl you got me thinking about,

All the things I do to you

Let's get it poppin' shorty

We can switch positions

From the couch to the counters in my kitchen

Baby this a new age,

You like my new craze

Let's get together

Maybe we can start a new phase

The smokes got the club all hazy,

Spotlights don't do you justice baby

Why don't you come over here, you got me saying

Aayooh

I'm tired of using technology,

Why don't you sit down on top of me

Aayooh

I'm tired of using technology

I need you right in front of me

She wants it, she wants it

She wants it, I got to give it to her

She wants it, she wants it

She wants it, I got to give it to her

Baby this a new age,
You like my new craze
Let's get together
Maybe we can start a new phase
The smokes got the club all hazy,
Spotlights don't do you justice baby
Why don't you come over here, you got me saying

Aayooh
I'm tired of using technology
I need you right in front of me
