

## Laki Pingvini - Pokreni Me

Intro: C# F#m

                  F#m                                  C#  
Nemirno moje hajdemo, zajedno da se igramo,  
C#                                                                                  F#m  
šta da ti pričam kad sve znaš, ti nisi tako mala baš,  
F#m                          E                                                  A  
nestašno ti oko tvoje, godine se nežne boje,  
A                                  E                                                  C#  
anđele i slatke gade, gledaj ruke šta mi rade.

Bridge: x2

                                  C#                                                  F#m  
Hej malena pokreni me, ko jabuku pojedi me,  
F#m                                  C#                                                  F#m  
hej malena probudi me, hajde igravimo.

Intro:

Ref: x2

                                  C#  
Ne mogu da da da da se porede, sladoled, šlag od jagode,  
                                  F#m  
sa tvojim slatkim snovima, nestašna i nemirna,  
                                  C#                                                  Bm                                  F#m  
znaš da sad je pravi čas, noć ko stvorena za nas, samo za nas.
