Mike Oldfield - Moonlight shadow

 Am The last that ever she saw him C G G Carried away by a moonlight shadow Am He passed on worried and warning G C Carried away by a moonlight shadow. C G Lost in a river last saturday night Am Far away on the other side. C G He was caught in the middle of a desperate fight And she couldn't find how to push through The trees that whisper in the evening Carried away by a moonlight shadow Sing a song of sorrow and grieving Carried away by a moonlight shadow All she saw was a silhouette of a gun Far away on the other side.

He was shot six times by a man on the run

1

And she couldn't find how to push through

```
C G
I stay
C G
I pray
      C
          F G
I see you in heaven far away
C G
I stay
C G
I pray
      C
             F
                   G
I see you in heaven One day
Four am in the morning
Carried away by a moonlight shadow
I watched your vision forming
Carried away by a moonlight shadow
Star was light in a silvery night
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push through
I stay
```

I pray
I see you in heaven far away
I stay
I pray
I see you in heaven one day
