```
[Intro:]
 F Dm Am C
[Verse]
                 Dm
All I am is a man
           \mathsf{Am}
                             C
I want the world in my hands
                F
I hate the beach
           Dm
But I stand
                                        C
In California with my toes in the sand
                       F
Use the sleeves of my sweater
                Dm
Let's have an adventure
            \mathsf{Am}
                                              C
Head in the clouds but my gravity's centered
         F
                                   Dm
Touch my neck and I'11 touch yours
You in those little high waisted shorts, oh
[Pre-Chorus]
                               Dm
  She knows what I think about
                         Am
  And what I think about
  One love, two mouths
C
  One love, one house
```

```
F
                    Dm
  No shirt, no blouse
  Just us, you find out
Am
                                             C
  Nothing that wouldn't wanna tell you about, no
[Chorus]
                                   Dm
' Cause it ' s too co-oh-oh-oh-woah-old
       Am
                C
For you here and now
So let me ho-oh-oh-oh-woah-old
         Am
                      C
Both your hands in the holes of my sweater
[Verse]
         F
 And if I may just take your breath away
       Dm
 I don't mind if there's not much to say
 Sometimes the silence guides our minds
 So move to a place so far away
F
  The goosebumps start to raise
Dm
  The minute that my left hand meets your waist
Am
 And then I watch your face
C
  Put my finger on your tongue
  ' Cause you love the taste, yeah
```

```
[Pre-Chorus]
  These hearts adore
Dm
  Everyone the other beats hardest for
Am
  Inside this place is warm
C
  Outside it starts to pour...
[Chorus]
              Dm
  Coming down
                      Am
 One love, two mouths
 One love, one house
  No shirt, no blouse
F
                       Dm
  Just us, you find out
                                               Am
  Nothing that wouldn't wanna tell you about, no
[repeat 2x]
                F
