

## Oliver Dragojević - Kad sam nasamo s njom

Intro

G A Bm A D

G A Bm

[Verse 1]

G A

Kad sam nasamo s njom,

Bm A D

to više nije, moja muzika

G A Bm

već neki daleki ton, hladan

[Verse 2]

G A

Kad sam nasamo s njom,

Bm A D

ja nisam siguran, što osjećam,

G A G A G A G A

kako bih nazvao to, ne znam,

G A F#

možda, bezdan

[Chorus]

F#      Bm                                      G                                      A                                      G      D

Znači ovo je tren, kada čovjeku postane malo,

C#                                      Bm                                      Am                                      G                                      A                                      D

kad u svemu, što volim na njoj, nešto pofali,

F#                                      Bm                                      G                                      A                                      D  
C#m

znači ovo je tren, kad sve tuđe mi izgleda slatko,

F#                                      Bm                                      Am                                      G                                      A                                      D

i kad sve ono što volim na njoj, više ne volim
