```
[Verse 1]
         G
                       Α7
Everyday, it's a gettin' closer,
           G
                         Α7
Goin' faster than a roller coaster,
                           Α7
                                  D
                                        G
Love like yours will surely come my way, (A-hey, hey)
Everyday, it's a gettin' faster,
             G
                         Α7
Everyone says go ahead and ask her
                          Α7
                                  D
                                        G
Love like yours will surely come my way, (A-hey, hey)
Everyday seems a little longer,
Every way, love's a little stronger,
Come what may, do you ever long for
Bb
             A A7
True love from me
         G
                       Α7
Everyday, it's a gettin' closer,
            G
                         Α7
Goin' faster than a roller coaster,
                           Α7
                                  D
                                        G
                                               D A7
Love like yours will surely come my way, (A-Hey, hey)
