C#

She's got a smile that it seems to me

B

Reminds me of childhood memories

F#

Where everything

C#

Was as fresh as a bright blue sky

C#

Now and then when I see her face

B

She takes me away to that special place

F#

And if I stared too long

C#

I'd probably break down and cry

[Chorus]

[Verse]

C#

She's got eyes of the bluest skies

B

As if they thought of rain

F#

I hate to look into those eyes

C#

And see an ounce of pain

C#

Her hair reminds me of a warm safe place

B

Where as a child I'd hide

F#

And pray for the thunder and rain

C#

To quietly pass me by
