Song: Bad Love
Artist: Eric Clapton
Album: 24 Nights

I've been playing this song with my band here in Italy for quite a long time, and we're pretty sure this very close, if not identical, to the original. Just try, and you'll hear it sounds much better than the versions I've seen until now on Olga. By the way, the sequence of verses and refrains is based on the version published on the live album "24 nights".
