

## Red Hot Chili Peppers - Desecration smile

Uvod: F#m, E, Eadd9, E (2x)

Em, D, C (2x)

Em                    D        C  
All alone not by myself  
Em                    D        C  
Another girl bad for my health  
Em                    D        C  
I've seen it all through someone else, and I  
Em                    D        C  
(Another girl bad for my health)  
Em                    D        C  
I celebrated but undisturbed  
Em                    D        C  
And serenaded by the terror bird  
Em                    D        C  
It's seldom seen and it's never heard, oh  
Em                    D        C  
(Serenaded by the terror bird)

Refren:

          D                    A                    E  
Never in the wrong time or wrong place  
          D                    A                    E  
Desecration is the smile on my face  
          D                    A                    E  
The love I made is the shape of my space  
          D                    A  
My face, my face

Em, D, C (2x)

Em                    D        C  
Disintegrated by the rising sun  
Em                    D        C  
A rolling black out of oblivion  
Em                                    D                    C

And I'd like to think that I'm your number one, I'm

Em                                  D        C  
(Rolling black out of oblivion)

Em                      D                  C

I wanna leave but I just get stuck

Em                          D            C

A broken record runnin' low on luck

Em                          D                C  
There's heavy metal coming from your truck, and I'm a  
Em                          D                C  
(Broken record runnin' low on luck)

The love I made is the shape of my space

D                      A

My face, my face

C, G, C, G

C                                  G

We could all go down to Malibu and make some noise

C G  
Coca Cola doesn't do the justice she enjoys

C                                  G

We could all come up with something new to be destroyed

C                      Em  
We could all go down

D, C

Em, D, C

Em D C  
I love the feeling when it falls apart

Em D C  
I'm slow to finish but I'm quick to start and

Em D C

(Slow to finish but I'm quick to start)
