Yes, it's unbelievable how we used to love,

C G C D#39;
Feeling very slowly in a mood for fun.

G D Em D
And we never look back, we didn't think about it,

C G C D#39;
Cause those were small affairs, what we did was done!

C G
And I` will be with you, somewhere in the night

C
In love which has no touch,

D taping

Glory, wait for us!

REF:

G5 D5
I can hold you in my arms,

I can tell you oh my darlin`

But that`s not real

There, there is something in the dark.
Goin` crazy lovin` blind, oh you and I

SOL02
