

Haymaker - Freedom

INTRO: Hm | G | D | A

VERSE 1:

Hm

You cannot build your own house for that you'll need a license

G

That will cost you money ridiculous prices

D

You have the choice to rent or buy

A

But they made the prices extremely high

So now you need to work 8 hours a day

To cover for the bills which you have to pay

The companies own your primary needs

If you lose your job you'll be out on the streets

CHORUS:

B5/H5 - P.M

People talking about freedom

G5 - P.M

People talking about freedom

D5

A5

People talking about bullshit they know nothing about

VERSE 2:

You'll get rewarded for success and punished if you fail

The rich can pay a fine the others go to jail

Freedom is there for those who are rich

but if you're not you're society's bitch

And then you have to work until you're fucking dead

Just because you need a roof above your head

The companies own your primary needs

If you lose your job you'll be out on the streets

CHORUS:

People talking about freedom

People talking about freedom

People talking about bullshit they know nothing about. x2

VERSE 3:

Some people put there trust and hope in politicians
Who hunger for power and look for recognition
Egos go high talents go low
It's time to face what we already know
You're married to you work when death do us part
You want to divorce but you'll be back at fucking start

P.M - Palm Mute..

P.S - u intru i kroz pjesmu Hm svira se obicno pa se skloni srednji prst i opet stavi

kako bi se napravio taj identican zvuk

G se svira kada se skloni mali i prstenjak na sekundu

D se svira kada se doda mali prst

A se takodje svira kada se doda mali prst, sve to u sekundi kako bi se proizveo identican zvuk...
