Sometimes I feel like I don&#39;t have a partner
E/B       B           C#m     A
Sometimes I feel like my only friend
       E/B    B            C#m     Abm  A
Is the city I live in, the city of angels
E/B       B       C#m       A      Emaj7
Lonely as I am, together we cry

E/B            B              C#m         Abm  A
I drive on her streets &#39;cause she&#39;s my companion
E/B               B            C#m             A
I walk through her hills &#39;cause she knows who I am
    E/B          B             C#m       Abm  A
She sees my good deeds and she kisses me windy
E/B     B          C#m       A       Emaj7
I never worry, now that is a lie.

      F#m                  E/B  B*     F#m
Well, I don&#39;t ever want to feel like I did that day
F#m                    E/B   B*      F#m
Take me to the place I love, take me all the way
F#m                  E/B  B*     F#m
I don&#39;t ever want to feel like I did that day

It's hard to believe that there's nobody out there
     E/B   B   C#m   A
It's hard to believe and I'm all alone
   E/B   B   C#m   Abm   A
At least I have her love, the city she loves me
